

## 2007 Montana Preservation Questionnaire

This questionnaire's goal is to gather your ideas and recommendations to help the Montana State Historic Preservation Office identify needs and prioritize resources to meet them. Your input will guide us toward the goals most important to Montanans.

We will share the results on our website, [www.mhs.mt.gov/shpo/default.asp](http://www.mhs.mt.gov/shpo/default.asp) and in the *Montana Post* e:newsletter. Thank you very much for your time and consideration.

What do you see as the most significant issue(s) in preserving Montana? What are your specific recommendations to address these issues?

What do you see as the highest goal(s) of the State Historic Preservation Office? What are your specific recommendations to achieve these goals?

What area(s) of preservation do you see as needing the most financial resources? How would you propose we obtain additional funding?

What properties (specifically or generally) do you see as Montana's highest preservation priorities? What would you propose to assist these properties?

If you could create a new program, publication, or strategy to really galvanize Montanans into better preservation of our cultural past, what would it be? How would you implement it?

Please share your past and current efforts in preservation. How can you help us in the future of Montana preservation?
